**You can use it all year round,
regardless of weather.**

The Shed BBQkitchen outdoor kitchen are the best solution for outdoor BBQ all year round. It will transform your free time into an experience you will never get tired of. At your disposal all year round, whatever the weather. Place to meet your family and friends.

BBQ at anytime:

you can have BBQ all year round!
regardless of the weather
condition!

No need to hide and take out the
barbecue every time you want to
cook something in the garden.

Fridge, Sink, Ice maker or Dishwasher?

You may want grab a drink from the fridge
or wash your hand with sink... no “OR” but
“ALL” ! O u r One-stop kitchen support all
the functions in one!

Ventilate: Compared with indoor kitchen,
no more sitting in a stuffy kitchen and
constantly ventilating it.

Longevity: created from materials that can last for years without losing their qualities.

Security: designed so that you have total control. A single support frame can hold up the door panel, but we used two to ensure safety and stability.

Resistant to

- Heavy Wind
- RAIN
- RUST
- HIGH TEMPERATURES
- MOLD and ALGAE
- UV RADIATION
- not sensitive to
MARINE ENVIRONMENTS
